STATEMENT AGREEING TO CHANGE OF INVENTORSHIP IN PATENT BY
CORRECTLY NAMED INVENTORS
(37 C.F.R. § 1.324(b)(2))

NOTE: "Under 37 C.F.R. 1.324(b)(2), all current inventors who did not submit a statement under 37 C.F.R. 1.324(b)(1) must submit a statement either agreeing to a change of inventorship, or stating that they have no disagreement with regard to the requested change. 'Current inventors' include the inventor(s) being retained as such and the inventor(s) to be deleted. These current inventors need not make a statement as to whether the inventorship error occurred without deceptive intention." See § 1481, MPEP, 8th Edition.

NOTE: "If an inventor is not available, or refuses, to submit a statement, the assignee of the patent may wish to consider filing a reissue application to correct inventorship, since the inventor's statement is not required for a non-broadening reissue application to correct inventorship. See MPEP § 1412.04." See § 1481, MPEP, 8th Edition.

NOTE: "Nothing more is required. The examiner will determine only whether the statement contains the required language; the examiner will not make any comment as to whether or not it appears that there was in fact deceptive intention (see MPEP § 2022.05)." See § 1481, MPEP, 8th Edition.

I, an inventor signing below and

- ☒ who is being retained as an inventor
☐ who is being deleted as an inventor

in the above identified patent, make the following statement in support of the petition to correct the inventorship of this patent:

- ☒ I agree to the change of inventorship of this patent.
☐ I have no disagreement in regard to the requested change of inventorship of this patent.
